
Adviser, Manager - Banking Sector Montreal, QC

Overview

As an advisor, you will support the transformation of our clients, particularly around the following issues:

- **Retail banking** evolution of distribution networks, marketing/CRM/multi-channel development, support for digital transformation, banking innovations & payment methods, Big Data/Data Science approaches.
- **Corporate and Investment Banking** performance improvement and cost reduction, front-to-back process optimization, value chain development & financing optimization, integration of securities activities, regulatory compliance, integration of banking innovations/FinTech (of which Blockchain).
- **Risk Management & Compliance** compliant with major international and national regulations (Basel, Dodd-Frank, Volcker, Anti-Money Laundering, FOCA, FATCA), regulatory monitoring, financial modelling & risks (including back-testing)/stress-testing).
- **Financial directions** steering the convergence Finance/Risks, ALM & financial performance, compliance with IFRS9, performance and evolution of reporting channels.

What You Will Do

- Participate in the commercial development, notably by animating the bank accounts and manage the customer relationship on the existing missions, take part in the development of new opportunities and the development of new offers.
- Animate and supervise the teams within the framework of client mandates or internal projects at the firm (working group, training...) and you will contribute to the recruitment and the development of the skills of the collaborators.
- Actively contribute to our publication policy and the marketing of banking practice offers (article writing, sectorial decryption presentation) to our external clients.

Skills & Qualifications

- You have a bachelor's degree in finance or equivalent. A graduate degree in management is a major asset.
- You have 5 to 8 years of experience including 5 years in consulting mode in a consulting firm.
- You worked in a financial institution (major asset).
- You have worked on large-scale projects in the banking sector.
- You have an ability to work as a team, an open mind, a sense of analysis and you want to join a motivating professional environment where you will share the values that are the culture of result, quality and customer satisfaction.
- French, professional English essential.

Why Join?

The Organization. The company is the independent leader of management consulting firms.

The Role. Provides excellent opportunities to progress by developing its field of expertise abroad, in one of the group's offices, etc.
